... Miss Edna White

in the classroom...

This Year We Dedicate Our Yearbook to

Miss White,

- . . .because you have shown such a great loyalty to our school,
- . . .because you have had a great influence on your many students,
- . . .because you have shown an interest not only in the Latin department, but in all phases of education,
- . . .in short, because you are you, we dedicate, the 1968 Panther to you.

We see you at the Latin Banquet ...

and you are always smiling.

The past is ever-present in our lives. Through all the centuries gone by, men have left influences that affect our lives today. We are the heirs of the ages. Like those of yesterday, our examples, our words, our ideas, and our beliefs can also be projected into the future to remain in the lives of others.

We Permian Panthers have made history every moment of

this school year.

In this 1968 yearbook, we have tried to capture situations, reactions, ideas, and goals and to weave them into a short volume of the past . . . a volume of our own Panther history.

Quiet moments in the everchanging current of our youth reflect . . .

. the bittersweet of today

. . . the silence of then

... the light of tomorrow

... the always of infinity

There were thirteen orchestra and band students who made it through both of the rigorous try-outs in Lubbock. These two try-outs were based on their mastering of various exercises which emphasized technique.

The fourteen musicians left for Austin on February 7. In Austin they participated in the annual All-State concert before a vast crowd.

These people, through their hard work, have kept the Permian tradition by representing our school in Austin and brought honor upon themselves.

Each year the teachers at Permian choose delegates to go to Boys and Girls State. They are chosen for citizenship, scholarship, conduct, responsibility, and other qualities making a good citizen.

These six delegates from Permian attended this convention in Austin from June 10 to June 17 of last year. This program sponsored by the American Legion is designed to teach the youth of today constructive attitudes toward the American form of government.

The six boys were picked as National Merit Semi-Finalists as a result of their performances on the NMSQT. To do well on this test, one must have analytical and critical skills in many areas. One must also have a broad academic background as a result of understanding of the world, thoughtful reading, and a conscientious performance of regular schoolwork.

Outstanding Teachers Help

Favorite Teachers

Permian is indeed proud of each of its teachers. Our faculty has always been the very best. Each year several teachers stand out among all the others. They stand out because they are understanding, devoted to their professions, and happy to help any student. These characteristics, along with countless others make them OUR FAVORITE TEACHERS.

Miss Jo Brown, a new addition to the Permian faculty, has her BA from Prairie View College. She taught her first year at Ector. Miss Brown has proved herself to be an excellent, devoted history teacher and a favorite among students.

This year's sophomore dean, Mr. Fred Christian, was a coach at Nimitz Jr. High last year and a track and football coach at Permian the previous years. He has his BS from East Texas State. Mr. Christian is proving himself to be a good supervisor of the sophomore board and class on top of being a man who is a friend to each student at Permian.

JoBBrown

Miss Brown tries to make history a challenge to her students by using modern facilities as teaching aids.

Mold Outstanding Students

D.A.R. Winner

Each year one outstanding senior girl is awarded the D.A.R. Good Citizenship Award. Because of her excellent show in all areas of achievement, this year's winner is Sheila Ann Brookshire.

The qualifications include dependability, service, leadership,

and patriotism.

Sheila is a member of the senior board and the Student Council. She is also a Pepette and the secretary of the National Honor Society. Last year she won the Kiwanis Award for outstanding achievement in English.

We have come a long way since the beginning of our education, but the most important year is yet to come. We have contributed to Permian through our talents, hard work, but most of all our loyalty. In return Permian has given us the ambition to always strive for the best. We will always cherish our memories of Permian. It would be hard to forget homecoming, Western Day, Twirp Week, the All School Prom, the Junior-Senior Prom, and the graduation of our seniors. Each year the senior sets the standard for Permian. May we, as Seniors next year, continue in the high quality Permian has known.

Introducing . . .

Permian High School has a functioning student council organization consisting of president, vice-president, and secretary-treasurer elected by the student body. Council members act as a link between the student body and the council proper. To be eligible to serve as a council representative, a person must not have failed any subject the preceding semester.

The objectives of the council are to give students an opportunity to discuss school affairs, to share in the formation of school policies and traditions, and to conduct activities that are beneficial to the entire relationship between student leaders and school administrators, and also aids in providing a medium for exchanging ideas between student leaders. Council activities are subject to the approval of the principal and other members of the administration.

Secretary Robbie Dean takes minutes at meeting.

Honor Society Members

Service, leadership, character, scholarship these guide lines are the determining factors in the careful selection of students for membership in the National Honor Society.

At the spring induction services, forty outstanding students pledged themselves to uphold these standards and their grades in no less than five subjects per semester. This organization provides, in return, inspirational fellowship, profitable projects, and entertaining parties and meetings.

Panther Spirit

The Pepettes, an organization of approximately 50 Senior girls, was organized in 1963. Their aim and purpose is to promote school spirit at all times, especially at pep rallies and games in which the school participates. The Pepettes are school sponsored, but not school financed. Each girl must purchase her uniform and is assessed a certain amount of dues for the financing of trips to out of town games. Pepettes are selected in the spring of their Junior year and the officers are elected at that time.

Key Club

The Key Club is a service club for boys in the tenth, eleventh, and twelfth grades in high school. Although a Key Club is similar to other school organizations, in that it operates under the school's regulations and draws its membership from the student body, it is uniquely different. This uniqueness stems from its sponsorship, its aims, and its program.

Keltics Fired

Aw, it wasn't much!

Keltics is an honorary society of P.H.S. speech students. Its objectives are to provide recognition for those students who have participated in U. I. L. speech events.

The twenty members are selected on the basis of their individual performance in the speech tournaments. These members are divided into two groups, Keltics and Sub-keltics. The Keltics are those experienced members who have achieved success while the Sub-Keltics contain the novices, still in their first or second year of speech.

Plans for this year's Keltics organization include trips to Lubbock, El Paso, and Abilene.

Permain Press

"Well, Pat . . . where are we going after the game Friday night?"—Brenda Williams

The Permian Press—a small staff, but they somehow manage to meet every deadline. The hurry and scurry of spotting the news, tracking it down, and transforming it into copy sometimes keeps the members of the press up and at it until midnight. However, the headaches and concern of the press in getting a paper ready is so insignificant on the day the finished product arrives from the printer. It's a special feeling only a newspaper staff can feel.

"You are doing fine, now hold it there for a few minutes to make sure you have the feel of it."

Mr. Mobley seems to be giving Bill a few pointers on basketball.

"Well, Terrie, words seem so difficult to find when they are needed the most. It is hard to believe that we are finally graduating, and yet I know every senior shares with us the memories of that first year at Permian. Remember when we won state?"

"Football, peprallies, STATE—how could I forget! That is a marvelous memory for all of us. It seems as if it were just a short time ago when we were those new and frightened sophomores entering the big high school."

"Oh, and that first day! I knew how big Permian was and that I was only one small part of it. I could never forget how the upper classmen appeared—confident, calm... looking so at ease."

"I can remember, Robbie, towards the end of our junior year that the seniors were so carefree...not having to worry about those dreaded finals...getting out of school those few days early...just being SENIORS. I remember thinking how wonderful it would feel to be a member of my very own senior class."

* * * * *

We finally became those seniors, but now our high school days have come to an end. The filing cabinets are closed, the grade books are finished, and the records are completed. On "black and white" we are no longer a part of Permian.

However, our Panther spirit and pride will always stay to find its way into the hearts and minds of new Permian Panthers and to add a fresh bit of enthusiasm to the loyalty of the juniors and seniors of next year.

We the editors, on behalf of the entire PANTHER staff, hope that we have captured a perfect history of a perfect year.

When our teachers and counselors work, not only to give us knowledge, but to make us better people...

And when we can become better people in representing our families, our friends, and our school...

Then every year can be a perfect year!

We hope that every Panther will join us in saying that this year has indeed been a year filled with memories.

And now comes the special part...

... the precious rememberings.
